

4th International Conference

On

“Interdisciplinary Studies in Education, Research and Technology” 2026

(ISERT - 2026)

Organised by

“Laescuela Education”

On

21 - 24 December 2026

Venue:

**Hyatt Place Dubai Al Rigga
(Tentative), Dubai, UAE**

The organiser cordially invites abstracts and full-length research/review papers from all over the world to participate in the **4th International Conference on “Interdisciplinary Studies in Education, Research and Technology” 2026 (ISERT - 2026)**. Topics of interest for submission include various subthemes, but are not limited to the conference aims. The ISERT-2026 conference aims to provide a forum for laying the foundations of a new principled approach to Interdisciplinary research in Engineering, Technology, Sciences, Humanities and Social Sciences, and Business Administration. To this

end, the meeting aims to attract participants to foster cross-pollination between different domains, and to expose and discuss innovative theory, frameworks, methodologies, tools, and applications for sustainable development. All contributions should be of high quality, original and not published elsewhere or submitted for publication. During the review period, papers will be reviewed by eminent scholars in the respective areas. **All the submitted abstracts will be published in an ISBN-numbered Conference Proceedings Abstract Book. Accepted papers by the conference TPC and journal internal quality check will be published as a special issue in a peer-reviewed journal, Doon Journal of Multidisciplinary Research (DJMR).**
